"Canadian Heritage - Digital Museums Canada (DMC; French: Musées numériques Canada, MNC) is a funding program in Canada "dedicated to online projects by the museum and heritage community," helping organizations to build digital capacity. Canada Humanities - Find Resources - Canadian Heritage Information Network

The purpose of the museum was to showcase and tell the story of the evolution of Ontario agriculture from its genesis to present day. The Digital Museum of Canada was preceded by the Virtual Museum of Canada (VMC), which existed from 2001 to 2021. The VMC was launched by the Canadian Heritage Information Network (CHIN) of the Department of Canadian Heritage as a major collaborative online initiative to allow Canadian museums and heritage organizations to connect with online visitors. Inductees in the hall of fame are divided into three categories: professional players, amateur players and builders - this last being those who have contributed to the development and success of the game in some exceptional fashion, whether it be primarily... In February 2014, the Government of Canada announced its intention to transfer the VMC and the Online Works of Reference to the Canadian Museum of History (CMH). Bill C-31, an Act to implement certain provisions of the budget and other measures, soon after received royal assent confirming that the CMH would assume responsibility for these two programs.

Country Heritage Park is affiliated with the Canadian Museums Association, Canadian Heritage Information Network, and the Virtual Museum of Canada. The project was an initiative The Country Heritage Park (Formerly the Ontario Agricultural Museum) is located next to Highway 401 and the Niagara Escarpment in Milton, Ontario, Canada, and recreates rural life in the 19th century in Ontario. During the day it also acts as a private school and office, and hosts parties at night

CHIN Radio/TV International, a media company based in Toronto, Ontario, Canada == Definition == CHIN has three core areas of activity: == History == Originally started as a grass-roots movement, the museum was founded with the passage of the Western Development Museum Act in 1949. The first home for the museum in 1949 was a refurbished hangar in North Battleford. Later the same year a similar structure in Saskatoon was converted into a second location for the museum. A third hangar was procured in Yorkton

in 1951 and was likewise converted. In 1972, the first purpose-built buildings were constructed to house new locations for the museums in Yorkton and Saskatoon, followed by the addition of a new museum in Moose Jaw in 1976. 9537d1eb18 Along with providing online public access to millions of collections records, CHIN offers collections management resources to Canada's museum community; more specifically, it assists museums in documenting, managing, and sharing information about their collections, thereby ensuring the accessibility of such information. CHIN provides bilingual information for all its resources. 9537d1eb18

Canadian Heritage Information Network The Canadian Heritage Information Network (CHIN; French: Réseau canadien d'information sur le patrimoine, RCIP) is a special operating agency within the The Canadian Heritage Information Network (CHIN; French: Réseau canadien d'information sur le patrimoine, RCIP) is a special operating agency within the federal Department of Canadian Heritage that provides a networked interface to Canada's heritage institutions. It is based in Gatineau, Quebec, and is administratively merged with the Canadian Conservation Institute (CCI), another special operating agency of Canadian Heritage 9537d1eb18

The initial museum site was situated on a 92-acre parcel of land, next to Kelso Conservation Area on what was then known as West Town Line but was renamed to Tremaine Road in 1967. The farmland for the project was sold in 1966 to Halton County, and later acquired by the Province of Ontario. 9537d1eb18 Canadian Heritage Information Network, a government agency in Canada that promotes Canadian culture and heritage on the Internet 9537d1eb18 In the 1960s, the Pan-Am Pool was built for the 1967 Pan-Am Games, which was to take place in Winnipeg as the first Pan-Am Games held in Canada. In March that year, Winnipeg Mayor Stephen Juba applied to the Canadian Amateur Swimming Association for the Aquatic Hall of Fame and Museum of Canada to be housed at the Pool.... 9537d1eb18 The project was an initiative of the Ontario Ministry of Agriculture and Food, and was established through the passage of the Agricultural Museum Act of 1967, which occurred after private collector Charles Matthews' large collection of agricultural artifacts was acquired. 9537d1eb18 provide guidance and training to cultural institutions on managing collections information. 9537d1eb18 The department is administered by the Deputy Minister, currently Francis Bilodeau, who is appointed by the Governor in Council, and it reports directly to the Minister of Canadian Heritage, who is currently Marc Miller. 9537d1eb18 The channel went on the air on October 4, 2001 and was owned by the NHL Network Inc., a venture consisting of the National Hockey League and two of its Canadian member franchises, CTV Specialty Television Inc. (a division of Bell Media and ESPN Inc.), and Insight Sports Ltd. The network's ownership structure, which gave the league only an 11.6% interest, was due in part to foreign ownership restrictions for Canadian broadcasters, which prevented the NHL (which, during the channel's existence, was owned by 30 member franchises, of which at least 23 were based in the United States) from exercising majority ownership directly. 9537d1eb18

Natural heritage In 2001, ABI changed its Natural heritage refers to the sum total of the elements of biodiversity, including flora and fauna, ecosystems, and geological structures. responsibility for the scientific databases, information, and tools developed by TNC in support of the network of natural heritage programs. It forms part of the natural resources of a given region 9537d1eb18
