Social entrepreneurship " The difference between "entrepreneurship" and "social entrepreneurship", however, stems from the purpose of a creation. Therefore, they use different metrics. Social entrepreneurship typically attempts to further broad social, cultural and environmental goals often associated with the voluntary sector in areas such as poverty alleviation, health care and community development. This concept may be applied to a wide range of organizations, which vary in size, aims, and beliefs. Social entrepreneurs seek to Social entrepreneurship is an approach by individuals, groups, start-up companies or entrepreneurs, in which they develop, fund and implement solutions to social, cultural, or environmental issues. Social entrepreneurs, however, are either non-profits, or they blend for-profit goals with generating a positive "return to society". For-profit entrepreneurs typically measure performance using business metrics like profit, revenues and increases in stock prices 51eeb5bb66

Serial entrepreneurship Serial entrepreneurs typically exit or step back from one venture before starting another, distinguishing them from portfolio entrepreneurs, who operate multiple businesses simultaneously, and novice entrepreneurs, who are founding their first business. A substantial share of new businesses are undertaken by individuals with prior entrepreneurial experience, and academic interest in serial entrepreneurship has grown significantly since the early 2000s. the context of owner-managers, while the broader concept also encompasses entrepreneurial investors, corporate entrepreneurs, and freelance founders. Theoretical Serial entrepreneurship, sometimes referred to as serial founding, is the practice of an individual founding multiple businesses sequentially over the course of a career 51eeb5bb66

Historical antecedents come from ancient Roman times, with ancient Roman publicans (Latin: publicanus, plural: publicani) or "Roman contractors" being engaged to erect or maintain public buildings, supply armies overseas, or collect certain taxes (such as tithes and customs). This system for letting contracts was well established by the 3rd century BC. 51eeb5bb66 Major topics of interest have included leadership traits, behaviors and styles, leader... 51eeb5bb66 Interim Management was introduced for the first time in Europe by the Dutch consulting firm Boer and Croon... 51eeb5bb66 Kroijer has released two financial books as an author. The first came in 2010 titled, Money Mavericks: Confessions of a Hedge Fund Manager. The book studied the options available to investors, drawing the conclusion that many hedge funds' fees were too high. Kroijer released his second book in 2013, Investing Demystified. The book received positive reviews from both MoneyWeek and also The Morning Star. 51eeb5bb66 == History == 51eeb5bb66 - A knowledge-based profession that is centered around technological development 51eeb5bb66
