

# Para Que Serve Cytotec

The Costa Rican Penal Code in its article 121 establishes that no abortion performed to protect the life or health of the mother, carried with the consent of the woman and participation of an authorized physician or obstetrician, can be punished. This is known as "abortion with impunity". However, the lack... 6add9829f1 == Legal issues == 6add9829f1

Abortion in Costa Rica Currently, abortions are allowed in Costa Rica only in order to preserve the life or physical health of the woman. The restricted availability of Cytotec stems Abortion in Costa Rica is severely restricted by criminal law. Abortions are illegal in almost all cases, including when the pregnancy is a result of rape or incest and when the foetus has medical problems or birth defects. Both social and economic factors have led to this legal status. Cytotec is not available for over-the-counter purchase and is strictly controlled, requiring a prescription. It remains unclear whether abortions are legal to preserve the mental health of the woman, though the 2013 United Nations abortion report says Costa Rica does allow abortions concerning the mental health of a woman 6add9829f1

Under the Carlos Alvarado Quesada administration, the discussion of the "Technical Norm" to regulate the already legal therapeutic abortion is a hot issue, as the Evangelical parties (who have a large bloc in the Legislative Assembly) vigorously oppose it. 6add9829f1
