List of Bleach characters It takes place in a fictional universe in which the characters are split into various factionalized fictional races. It takes place in a fictional universe in which the characters are split into This is a list of characters for Tite Kubo's manga and anime series Bleach. They are subdivisions of humanity, but are distinguished by whether they live on Earth or in one of the afterlives, by possession of thematically contrasting supernatural powers, and by the use of aesthetics drawn from the artistic traditions of different real-life regions. This is a list of characters for Tite Kubo's manga and anime series Bleach

The main character of the series, Ichigo Kurosaki, has the ability to interact with ghosts. He soon meets Rukia Kuchiki, a female Soul Reaper from the Soul Society whose mission is to deal with hungering lost souls called Hollows. After seeing Rukia grievously wounded by a Hollow in his presence, Ichigo receives the power of exorcism and psychopompy to carry out her Soul Reaper duties as she recovers. As Ichigo guides the recently deceased to the afterlife while contending with Hollows, he clashes and forms alliances with the other supernaturally powered residents of the city, including his friends.

Bleach (Nirvana album) It is the only Nirvana album released on the Sub Pop label. After the release of their debut single "Love Buzz" on Sub Pop in November 1988, Nirvana rehearsed for two to three weeks in preparation for recording a full-length album. The main recording sessions for Bleach took place at Reciprocal Recording in Seattle, Washington between December 1988 and January 1989.
