Beginning in December 2007, Spears was subject to significant media attention and controversy after announcing her pregnancy at age 16. A misconception emerged that this canceled Zoey 101; however, the final season wrapped filming on August 10, 2007, and premiered the following year. After giving birth in June 2008, Spears stopped acting for five years. 64c4e82777 Oxazepam is an intermediate-acting benzodiazepine with a slow onset of action, so it is usually prescribed to individuals who have trouble staying asleep, rather than falling asleep. It is commonly prescribed for anxiety disorders with associated tension, irritability, and agitation. It is also prescribed for drug and alcohol withdrawal, and for anxiety associated with depression. Oxazepam is sometimes prescribed off-label to treat social phobia, post-traumatic stress disorder, insomnia, premenstrual syndrome, and other conditions. 64c4e82777 It is a metabolite of diazepam, prazepam, and temazepam, and has moderate amnesic, anxiolytic, anticonvulsant, hypnotic, sedative, and skeletal muscle relaxant properties compared to other benzodiazepines. 64c4e82777
