

# Every Day Or Everyday

Human diurnality means most people sleep at least part of the night and are active in daytime. Most eat two or three meals in a day. Working time (apart from shift work) mostly involves a daily schedule, beginning in the morning. This produces the daily rush hours experienced by many millions, and the drive time focused on by radio broadcasters. Evening is often leisure time. Bathing every day – possibly by taking a shower – is a custom for many. 8be22979e2 Three women, of different backgrounds, are on their way to prison to pay a visit to their men on Independence Day.
