The book is a "dictionary of things that there aren't any words for yet". Rather than inventing new words, Adams and Lloyd picked a number of existing place-names and assigned interesting meanings to them, meanings that can be regarded as on the verge of social existence and ready to become recognisable entities. 63030caaf1 The meaning of life can be derived from philosophical and religious contemplation of, and scientific inquiries about, existence, social ties, consciousness, and happiness. Many other issues are also involved, such as symbolic... 63030caaf1 In Times New Roman's name, Roman is a reference to the regular or roman style (sometimes also called... 63030caaf1 Peterson spent more than 13 years writing the book in an attempt to "explain the meaning of history". In it, he briefly reflects on his childhood and on being raised in a Christian family. The responses to his questions about the literal truth of Biblical stories seemed ignorant, causing him to lose interest in attending church. During adolescence and early adulthood he tried finding the answer to "the general social and political insanity and evil of the world" (from Cold War to totalitarianism) and for a short period of time he embraced socialism and political science. Finding himself unsatisfied and falling into... 63030caaf1

Bay of Many Coves is a reference to the many small bays situated within it. A number of these bays, and those throughout the Marlborough Sounds are named after poets and characters from literature. Ironically the Bay of Many Coves only has one of the locality that uses the word cove in its name, and even that was initially called Cockle Bay. 63030caaf1 Asked to advise on a redesign, Morison recommended that The Times change their body text typeface from a spindly nineteenth-century face to a more robust, solid design, returning to traditions of printing from the eighteenth century and before. This matched a common trend in printing tastes of the period. Morison proposed an older Monotype typeface named Plantin as a basis for the design, and Times New Roman mostly matches Plantin's dimensions. The main change was that the contrast between strokes was enhanced to give a crisper image. 63030caaf1
