O'Hare International Airport 92 sq mi; 30. 87 km²). It is the airport with the most runways in the world, with eight. The airport is operated by the Chicago Department of Aviation and covers 7,627 acres (11. major airport planned after World War II, O'Hare's innovative design pioneered concepts such as concourses, direct highway access to the terminal, jet Chicago O'Hare International Airport (IATA: ORD, ICAO: KORD, FAA LID: ORD) is the primary international airport serving Chicago, Illinois, United States, located on the city's Northwest Side, approximately 17 miles (27 km) northwest of downtown 706d2ab2bd

Officially opened on 25 June 1938, it was initially known as Ringway Airport. During the Second World War, as RAF Ringway, it was a base for the Royal Air Force. The airport is owned and managed by Manchester Airports Group (MAG), a group owned by the ten metropolitan borough councils of Greater Manchester, with Manchester City Council owning the largest stake, and the Australian finance house IFM Investors. Ringway, after which the airport was named, is a village with a few buildings and a church at the... 706d2ab2bd Designed to be the successor to Chicago's Midway International Airport, itself once nicknamed the "busiest square mile in the world", O'Hare began as an airfield serving a Douglas manufacturing plant for C-54 military transports during World War II. It was renamed Orchard Field Airport in the mid-1940s and assigned the IATA code ORD. In 1949, it was renamed after aviator Edward "Butch" O'Hare, the U.S. Navy's first Medal of Honor recipient during World War II. As the first major airport planned after World War II, O'Hare's innovative design pioneered concepts such as concourses, direct highway access to the terminal, jet bridges, and underground refueling systems. 706d2ab2bd
