One day Aidan Cooper and Sarah Cooper discover a secret compartment in their father's massive oak desk. There was a small hidden door in the desk, inside was an envelope that contains a piece of very thin, almost translucent, white paper, on which, handwritten in black ink, are a series of seemingly random lines; among them are what appear to be fragments of letters, but not enough to make sense. At the bottom of the page is a verse about Peter Pan and a reference to a real hotel in London.

Disney-Hyperion in 2011. It is the fifth book in the Peter and the Starcatchers series but unlike the others is set in the present day. The main characters in the story are two young Americans, Aidan and Sarah Cooper. Freckle Juice was published in 1971. After publishing the books Are You There God? It's Me, Margaret. (1970) and Then Again, Maybe I Won't (1971), which were written for a teenage audience, Blume returned to children's books. As with her other books, Blume ensured that Freckle Juice reflected both positive and negative aspects of being a child rather than a purely happy story. Unlike most of her books where she decided on the title last, Blume started with the title of Freckle Juice and wrote the story based on it. She got the title Freckle Juice from her daughter, who as a child mixed powder, shampoo, and soap in the bathtub to create what she called "freckle juice".
