== Background == In 1861, Italian provinces were established on the French republican model. Prior to the Song dynasty strings of cash coins were called guàn (貫), suǒ (索), or mín (緡), while during the Ming and Qing dynasties they were called chuàn (串) or diào (吊). In Japan and Vietnam the term 串 would continue to be used until the abolition of cash coins in those respective countries. Ron Perlman served as narrator beginning with the third episode, following Thom Beers's narration of the first two. "Shotgun Tom" Kelly later replaced Perlman for the final season. He attended the College of William and Mary in Williamsburg, Virginia for a year before he transferred to the University of California, Los Angeles. There he took classes mostly in the evening, as he often worked as an actor during many days. He resided in Redondo Beach. The country's latest decentralization program is in hiatus after the proposal to merge departments was defeated in the national referendum in October 2005. The referendum held on October 30, 2005, as part of the ongoing decentralization process in Peru, to decide whether the region would merge with the current regions of Lambayeque and Tumbes to create a new Región Norte was defeated. == Release == 1000 Ways to Die uses a darkly comedic approach to depict deaths drawn from myths, historical incidents, and scientific explanations...
