Mount Baker Tunnel The new Mount Baker Tunnel was built north of the original tunnels and opened in June 1989. It carried a mix of foot, cycle, horse-drawn and vehicular traffic. By the 1930s, capacity was becoming inadequate. A second bore opened in 1967 to relieve congestion, handling southbound traffic while the earlier 19th century tunnel handled northbound traffic. 8b1bfc07a9 "The Light at the End of the Tunnel (Was a Train Coming the Other Way)", a song by Richard Hawley on the 2001 album Late Night Final 8b1bfc07a9 The package was marketed as a greatest hits collection, but while it includes many of the band/s acknowledged standards, several of the songs were album tracks, while others were B-sides or other rarities.
