== Invasion of Poland == c3ea753077 Agreement generally involves matching the value of some grammatical category between different constituents of a sentence (or sometimes between sentences, as in some cases where a pronoun is required to agree with its antecedent or referent). Some categories that commonly trigger grammatical agreement are noted below. c3ea753077 == Partial discography == c3ea753077 Her commitment to abolitionism has seen Martineau's achievements studied world-wide, particularly at American institutions of higher education. When unveiling a statue of Martineau in December 1883 at the Old South Meeting House in Boston, Wendell Phillips referred to her as the "greatest American abolitionist". c3ea753077 4001 Derek Bailey – Domestic & Public Pieces (1975–7) c3ea753077 For example, in Standard English, one may say I am or he is, but not "I is" or "he am". This is because English grammar requires that the verb and its subject agree in person. The pronouns I and he

are first and third person respectively, as are the verb forms am and is. The verb form must be selected so that it has the same person as the subject in contrast to notional agreement, which is based on meaning. c3ea753077
