Microsoft Word has been the de facto standard word processing software since the 1990s when it eclipsed WordPerfect. Commercial versions of Word are licensed as a standalone product or as a component of Microsoft Office, which can be purchased with a perpetual license, as part of the Microsoft 365 suite as a subscription, or as a one-time purchase with Office 2024. c07dca462a == Features == c07dca462a Words may be derived naturally from the language's roots or formed by coinage and construction. Additionally, comparisons are complicated because place names may be considered words, technical terms may be arbitrarily long, and the addition of suffixes and prefixes may extend the length of words to create grammatically correct but unused or novel words. Different dictionaries include and omit different words. c07dca462a

== History == c07dca462a Sammy awakens in a lane one morning after a two-day drinking binge, and gets into a fight with some plainclothes policemen, called in Glaswegian dialect "sodgers". When he regains consciousness, he finds that he has been beaten severely and, he gradually realises, is completely blind. The plot of the novel follows Sammy as he explores and comes to terms with his new-found disability and the difficulties this brings. c07dca462a The designation "four-letter" arises from the observation that many (though not all) popular or slang terms related to excretory functions, sexual activity, genitalia, blasphemies, and terms linked to Hell or damnation are incidentally four-character monosyllables. Notably, the term "four-letter word" does not strictly refer to words containing exactly four letters.

Spoken word It is a 20th-century continuation of an ancient oral artistic tradition, most notably the Greek oral-formulaic tradition, which produced the oldest works in the Western tradition, that focuses on the aesthetics of recitation and word play, such as the performer's live intonation and voice inflection. Unlike written poetry, the quality of spoken word is shaped less by the visual aesthetics on a page, and more from phonaesthetics or the aesthetics of sound. Spoken word is an oral poetic performance art that is based mainly on the poem's as well as the performer's aesthetic qualities.
