First Crusade success since its foundation in the 7th century, with major changes to come. The earliest impetus for the First Crusade came in 1095 when Byzantine emperor Alexios I Komnenos sent ambassadors to the Council of Piacenza to request military support in the empire's conflict with the Seljuk-led Turks. By the 11th century, although Jerusalem had then been ruled by Muslims for hundreds of years, the practices of the Seljuk rulers in the region began to threaten local Christian populations, pilgrimages from the West and the Byzantine Empire itself. The first waves of Turkic migration into the Middle East enmeshed Arab and Turkic The First Crusade (1096–1099) was the first of a series of religious wars, or Crusades, which were initiated, supported and at times directed by the Latin Church in the Middle Ages. This was followed later in the year by the Council of Clermont, at which Pope Urban II gave a speech supporting the Byzantine request and urging faithful Christians to undertake an armed pilgrimage to Jerusalem. Their aim was to return the Holy Land—which had been

On a passenger jetliner, first class usually refers to a limited number (rarely more than 10) of seats or cabins toward the front of the aircraft which have more space and comfort, including better service and increased privacy. In general, first class is the highest class offered, although some airlines have either branded their new products as above first class or offered business class as the highest class. Propeller airliners often had first class in the rear, away from the noise of the engine and propeller, while a first class on jet aircraft is normally positioned near the front of the aircraft, often in front of the business class section or on the upper deck of certain wide-body aircraft such as the Boeing 747 and Airbus A380. 9aa040583b As aeroplanes became... 9aa040583b
