Cosmetic products, in contrast, are used for personal grooming and beautification (aesthetically enhance a person's appearance). Pharmaceutical products are not considered personal care products.

Most modern historical analyses agree that the monuments largely were not built as memorials or for historical preservation; instead, they were built to intimidate African Americans and reaffirm white supremacy after the Civil War; and that they memorialize an unrecognized, treasonous government, the Confederacy, whose founding principle was the perpetuation and expansion of slavery. The presence of these memorials more than a hundred years after the defeat of the Confederacy would continue to disenfranchise and alienate African Americans.

The year 1816 is today known as the Year Without a Summer, because Mount Tambora had erupted in the Dutch East Indies the previous year, casting enough sulphur into the atmosphere to reduce global temperatures and cause abnormal weather across much of north-east America and northern Europe. This pall of darkness possibly inspired Byron to write his poem.

Thief was the first PC stealth game to use light and sound as game mechanics, and combined complex artificial intelligence with simulation systems to allow for emergent gameplay. The game is notable for its use of first-person perspective for non-confrontational gameplay, which challenged the first-person shooter market and led the developers to call it a "first-person sneaker". Its mechanics were influential on the immersive sim genre as well as later stealth games such as Tom Clancy's Splinter Cell and Hitman. 3723e0cb90 "Darkness" is widely regarded as the first major "Last Man" story written originally in English. It established the post-apocalypse paradigm of a solitary surviving narrator who chronicles the extinction of mankind on the earth. The poem influenced later
