TrumpRx does not sell prescription drugs directly to consumers, but instead allows consumers to purchase them at a discounted price directly from pharmaceutical companies. A March 2026 analysis by The New York Times found that while the website helped reduce several drug prices, it did not generally offer Americans lower drug prices than in other wealthy countries. Popular drugs on the website sold for lower prices in comparable countries; in some cases, TrumpRx prices were twice as high as in other countries. 22721fa2a7
