I want low impedance, I want durability, I want comfort, I want terrific sound quality. Right now I have my eye on some Sony MDR-7506's after dying over them a month ago. I will be listening to rock, and classical, and I will use these headphones a lot. Thanks, — [Mac Davis] (talk) 5480778e34 As yet, we do not have an article on Fossil eggs nor does our fossil article provide much detail. However, these articles by The San Francisco Chronicle on dinosaur fossil eggs [1] and the National Geographic on bird fossil eggs [2] should be of some assistance to you.
