Could we please have a completely
uninvolved admin review the

discussion at
Talk:Johnny_Weir#Wording_adjusted
_per_archived_discussion and
close it if you agree that
consensus has been achieved, and
that the edit which has been made
to the article was appropriate.
By "completely uninvolved" I
mean, ideally, someone who has
never edited the article, or
participated in any discussion
regarding it. Many thanks. Wine
