Simple Plan released their second album *Still Not Getting Any...* in October 2004. In July 2005, vocalist Pierre Bouvier said that while they hadn't written any new material, he expected them to release a new record by mid 2006. Touring in support of *Still Not Getting Any...* concluded in February 2006 with a European trek. Bouvier said the band aimed to write new material for around three months, and have a new record out by the end of the year. Instead, the band took a break in March, and began writing every day since April.

The terms job design and work design are often used interchangeably in psychology and human resource management literature, and the distinction is not always well-defined. A job is typically defined as an aggregation of tasks assigned to individual. However, in addition to executing assigned technical tasks, people at work often engage in a variety of emergent, social, and self-initiated activities. Some researchers have argued that the term job design therefore excludes processes that are initiated by incumbents (e.g., proactivity... 63e284b8fd == Background == 63e284b8fd
